- CPU Utilization
- Memory Utilization
- Root FileSystem Utilization
- Date FileSystem Utilization

Welcome !

[Home](#) / [Home](#)

 Welcome to new Hermes SEG 2.0 Web GUI. The new Web GUI is still a work in progress. Some of the navigation links will take you to the old Web GUI. We appreciate your patience as we continue to improve Hermes SEG.

 System Info

Version	Build	Edition	Uptime	System IP	License Status	OS Updates	Hermes Update
18.04	220410	Pro	22 Days	192.168.10.10	VALID (482 Days)	REBOOT REQUIRED	LATEST VERSION
