Change your password

Mailbox usage

6.14 GB used. At 15.00 GB you won't be able to send email.

1. In the **Change password** page, enter your current password in the **Current password** field, enter the new password in the **New password** field, re-type the new password in the **Confirm new password** field and click the **Save** button (**Figure 3**).

Important: Your password must be at least 8 characters, it must contain at least 1 number and 1 special character.
